## Why Veranda Dining?

A major trend in home building today is the blending of indoor and outdoor family living areas. It is a response to a desire to create comfortable outdoor living spaces that are as functional and beautiful for entertaining as interior spaces.

Until recently, this was not practical. Now, astounding advances in home furnishings technology let home owners have appliances and comfortable and durable furniture in outdoor areas that are an extension of the home's interior decor, and this trend is the Number One "must have" in home building.

That's why we created Veranda, a new dining collection of residentially-styled dining chairs and stools by Designmaster Furniture. The word "veranda" is a noun and means a large, open porch, roofed and partly enclosed, often extending across the front and sides of a house. Our Veranda Dining Collection has been developed to withstand the outdoor elements when used in covered outdoor areas.

For over 29 years, Designmaster has made the best dining chairs and dining stools for interior residential dining rooms, breakfast rooms, family rooms and kitchens. Now we offer our same style, comfort and quality in our outdoor room collection.

## Style

Style is a visual thing. The dining chairs and stools in our Veranda Dining Collection features some of our best-selling residential furniture with the addition of unique construction and materials to withstand indirect exposure to the outdoor elements. Experience the same great styling, good looks and wonderful proportions that you have come to expect from our dining chairs and dining stools.

## Comfort

Comfort – it is a seat thing and a back thing. Sit in any of our Designmaster chairs or stools, experience the superior comfort, and enjoy being spoiled forever. Veranda features the same commitment to comfort while withstanding indirect exposure to the outdoor elements. Experience the same great comfort in covered outdoor areas that you have come to expect from our indoor dining chairs and dining stools.

### DISCLAIMER

Exact color match to wood finish samples or these photos is not guaranteed. Some finishes are transparent. Wood grain and color variations can affect the final finish color. Things such as mineral streaks, tiger striping, and wood color variation are natural characteristics of real wood and will be seen.

## Metal Finish for Richfield Veranda Collection

**Brushed Stainless Steel**

### Grade 304 Stainless Steel

Grade 304 Stainless Steel is the industry standard choice for outdoor use. Strong and hard, yet very lightweight, Grade 304 Stainless steel is resistant to moisture and corrosion. With proper maintenance, this stainless steel will look like new for many years to come.

**Care and Cleaning:** To keep stainless steel outdoor furniture looking like new for many years, routine cleaning is required. Remove dust and dirt using a damp cloth. Dry and polish after cleaning to achieve the attractive luster. For more stubborn stains, use mild soapy water. Wipe off with a damp cloth and polish with a dry cloth. Always clean and polish in the direction of the polish lines. Do not use bleach, cleaners containing chlorine or abrasive cleaners on stainless steel. Also, do not use steel wool or highly abrasive cloths. For more extensive care instructions, please go to [VerandaDining.us](http://VerandaDining.us).

#### DISCLAIMER

Corrosion and oxidation are normal occurrences that can happen when stainless steel is exposed to salt air, salt water spray, or airborne chemicals like chlorinated pool water and is not covered by our warranty. The grade 304 stainless steel finish photo has been reproduced as accurately as possible for color representation. Exact finish color match to this photo is not guaranteed.

## Barstool Kickplates and Foot Rings

**Brass Kickplate**

**Brass Foot Ring**

**Bronze Kickplate**

**Bronze Foot Ring**

**Brushed Nickel Kickplate**

**Satin Nickel Foot Ring**

#### DISCLAIMER

The aluminum kick plate finishes, the Brass and Bronze powder-coated finishes and the Satin Nickel foot ring finish (brushed stainless steel) have been reproduced as accurately as possible for color representation. Exact finish color match to these photos is not guaranteed.

# Our Story

*Style. Quality. Comfort.*

For more than 29 years, Designmaster Furniture has been making beautiful dining chairs and dining stools for the residential and hospitality markets. Now, with the addition of our new Veranda Dining Collection, consumers can have good looking,

comfortable Designmaster chairs and stools in their covered outdoor rooms and kitchens. We have chosen materials and finishes that will withstand the indirect exposure to the outdoor elements so that people can enjoy entertaining family and friends in their outdoor living spaces on our comfortable, good looking chairs and stools for many years.

With Veranda Dining, our story is the same as it has always been.

## Style

It's a visual thing. Our dining chair and stools are good looking with wonderful scale and proportions.

## Comfort

High quality foam along with the perfect seat and back pitch make our dining chairs and stools exceptionally

comfortable. Sit in one of our chairs, and you will have experienced the comfort of all Designmaster chairs and stools.

## Quality

It is our passion. Our dining chairs and stools start with solid frames that are outstandingly engineered. High

quality foam, beautiful finishes and impeccable tailoring make our chairs stand out as the best. It is the little things that make the biggest difference. Experience the excellence of our craftsmanship.

## Specialization

Dining seating is our calling. We are a specialist in this category because dining is all we do. We are committed to being the "best" in our niche and at the "best value".

## Handcrafted in America

Because of our deep-seated belief in our people, our community and our country, we have been steadfast in handcrafting high quality dining chairs and dining stools here in America in our western North Carolina factory.

## Limited Warranty Information

This limited warranty applies to all the Veranda Dining Collection dining chair and dining stool products. The limited warranty is extending only to the original purchaser of the products and must be pursued through the authorized seller from which the products were purchased.

Obligations are limited to the terms and conditions stated in this limited warranty. Designmaster Furniture may honor claims in ways such as choice of local repair, allowance for the original customer to retain the product in "as-is" condition, or replacement of the product and is at the sole discretion of Designmaster Furniture, Inc.

### General Warranty Limitations

1. Intended use areas for the Veranda Dining Collection dining chairs and stools is in covered outdoor areas having a roof with indirect exposure to the outdoor elements of sun, water, and wind. It does not apply to defects or damages resulting from use or uses for which these dining chair and stool products were not designed. The product is not intended for use on open air patios, open outdoor pool areas, underneath pergolas or on open air decks. Use in these type areas will void this warranty.
2. This warranty is voided if the products are physically modified or altered in any way after shipment from Designmaster Furniture, Inc.
3. This warranty is voided if any treatment is applied to the dining chair or dining stool upholstery, finish or any other parts after the product has been removed from the original factory packaging.
4. Over time, sunlight can cause changes in the color of fabrics and finishes. See the Specific Warranty Limitations for Fabrics, Wood Finishes, Stainless-Steel Metal and Other Metal Parts for explicit limited warranty coverages.
5. Freight or handling damages are not considered defects under this warranty. Such claims should be filed with the freight carrier.

### Specific Warranty Limitations

**Fabrics** – Fabrics to be used on Veranda Dining Collection pieces must be outdoor worthy. The specific fabrics in our line that can be applied the Veranda Dining Collection dining chairs and stools have the Veranda Dining Collection Logo on the fabric label. The fabric mills warrant their fabrics for durability, fading, etc. Designmaster Furniture's warranty extends only to the amount of time warranted by the fabric mill. C.O.M. fabrics (customer's own material) is not warranted by Designmaster Furniture. See the fabric brands we currently offer for use on the Veranda Dining Collection products and their warranty information.

**Sunbrella® Fabrics – (5-year limited warranty)** to the original purchaser. Go to [www.sunbrella.com/en-us/warranty](http://www.sunbrella.com/en-us/warranty) for warranty specific information regarding fading and stain resistance. Sunbrella® Fabrics are stain resistant, not stain proof. For best results, stains should be removed when they happen using the specified Sunbrella® cleaning methods found on their website and on the hangtag provided with the Veranda Dining Collection item.

**Al Fresco™ Fabrics – (5-year limited warranty)** to the original purchaser. The warranty covers the fabric only. Labor and installation to recover the product is not covered. Abusive use, negligence, acts of God, etc. are not covered. Al Fresco™ fabrics are stain resistant, not stain proof. For best results, stain should be removed when they happen using the specified Al Fresco™ cleaning methods found on the hangtag provided with the Veranda Dining Collection item.

**Inside Out® Performance Fabrics – (3-year limited warranty)** to the original purchaser. Go to [www.insideoutperformancefabrics.com/#warranty](http://www.insideoutperformancefabrics.com/#warranty) for warranty specific information regarding fading and stain resistance. Inside Out® Performance Fabrics are stain resistant, not stain proof. For best results, stains should be removed when they happen using the specified Inside Out® Performance Fabric cleaning methods found on their website and on the hangtag provided with the Veranda Dining Collection item.

**SunBelievable™ Fabrics – (3-year limited warranty)** to the original purchaser that Sunbelievable™ fabrics will not lose their original color (including color fading due solely to sunlight exposure, mildew, rot, or atmospheric chemicals) or strength when used under normal and non-abusive exposure conditions. SunBelievable™ fabrics are stain resistant, not stain proof. For best results, stains should be removed when they happen using the specified SunBelievable™ cleaning methods found on the hangtag provided with the Veranda Dining Collection item.

**C.O.M. Fabrics (Customer's Own Material)** – For the Veranda Dining Collection, Designmaster recommends that only C.O.M. fabrics that are specifically made for outdoor use be sent for application to the Veranda dining chairs and stools. Our limited warranty does not include C.O.M. fabrics. C.O.M. fabric claims must be filed with the original fabric supplier.

**Wood Finishes – (5-year limited warranty)** to the original purchaser against chalking, fading and cracking when used in the areas specified in the General Warranty Limitations for intended use of the product (General Warranty Limitations #1) and in the original finish. Changes will occur over time as natural wood materials age and should be expected. Other items not covered under this warranty are the bottoms of legs that can be subject to abrasion, infestation of insects, or deterioration of the wood finish because of product being used in inappropriate outdoor areas.

**Frames** – The upholstered frames are warranted against any defects in materials and workmanship for **(1-year limited warranty)** to the original purchaser, if they remain upholstered in the original fabric and are used in the areas specified in the General Warranty Limitations for intended use of the product (General Warranty Limitations #1). Infestation of insects is not covered under this warranty. Components such as chair glides are subject to wear and tear. These are not considered to be part of the chair frame and therefore are not covered by this limited warranty.

**Stainless Steel Metal Frames** – The Brushed Stainless-Steel metal frames are warranted for **(1-year limited warranty)** against defects in materials and workmanship to the original purchaser if the original upholstered top parts remain on the frames. Corrosion and oxidation are occurrences that can happen when stainless steel is exposed to salt air, salt water spray, or airborne chemicals like chlorinated pool water and is not covered under this warranty.

**Other Metal Parts** – Metal parts such as springs, swivel mechanisms, kick plates and foot rings are warranted for **(1-year limited warranty)** against defects in materials and workmanship to the original purchaser if the items remain in the original fabric and are used in the type areas as specified in the General Warranty Limitations for intended use of the product (General Warranty Limitations #1). Corrosion and oxidation are occurrences that can happen when metal is exposed to salt air, salt water spray, or airborne chemicals like chlorinated pool water and is not covered under this warranty.
